

Active English

Twilight Top-Up Training

Active English is a whole-school support package for the teaching of grammar, writing and punctuation. It is largely aimed at years 1 to 4, but the elements can be used flexibly across all year groups to meet the needs of pupils.

What is important, is that there is a whole-school approach, with all teachers and teaching assistants being supported to implement the programme consistently across the school. It uses the principles of mnemonics and spaced learning to embed learning in an active and engaging way, providing pupils with a deeper grasp of language that serves as a foundation for their future.

- > Do you have members of staff who are new to Active English?
- > Do your staff members need a refresher on Active English?

If so, Active English Twilight Top-Up Training might be what you need!

Active English Twilight Top-Up Training is for Active English Schools who may have employed one or two new members of staff since they have had the whole school Training or returning members of staff who need refreshing on the programme.
